

## **The Coach Tim Reed Legacy Fund**

Dear Friends of Coach Tim Reed;

Coach Tim Reed was a teacher and coach in the Hamilton City and Talawanda School Districts for 35 years. Coach Reed exemplified the traits associated with an outstanding teacher, coach and friend: Honesty, Integrity, Loyalty, Respectfulness, Responsibility, Humility, Compassion and Fairness were all strong principles and core values that Coach Reed modeled daily while interacting with his students, coworkers, players and people. Coach Tim Reed was truly an outstanding human being.

The Coach Tim Reed Legacy Fund has been established to provide scholarships for Hamilton and Talawanda students who demonstrate the characteristics that Coach Reed modeled every day. The fund has also been established to contribute additional funds that may arise for other charitable causes in the community. Please help by contributing to this very worthy cause that will benefit the students and communities that Coach Tim Reed served so well.

This is the first year of the Coach Tim Reed Legacy Fund and it will be **the only time that we will ask for your donation.** We plan to hold events in the future to grow this fund.

Thank you in advance for contributing to the Coach Tim Reed Legacy Fund.
